Dear Sir -

The enclosed photographs are made from some original notes in the possession of a lady in Halifax, N.S. This lady asked me to ascertain the probable value of those original notes since she wants to dispose of them. Perhaps you could give me also the names of people interested in the purchase of such notes.

In case you are not in the position to give me the desired information, I would be obliged to you if you could name a proper authority I could apply to.

Thanking you in advance,

I am

yours truly

Arthur Tilly.
